Reading Comprehension

Although the modern game started in Germany, handball is thought to have originated in old times.

It was played at the end of the 19th century as an outdoor game, but it was not until the 1920s that it also began to be played inside. At about this time the rules were mostly changed to include many of the basic laws of football. Handball today is a fast, exciting and energetic game which is easy to understand. However, it has to be played professionally. The International Handball Federation was established in 1946 and the most important competitions are the Olympic Games and the four-yearly World Championship. Although handball is played throughout Europe and in the Far East, it is not popular in Britain.

1 According to the passage, handball

- 1) is a popular game in Britain.
- 2) is one of the Olympic Games.
- 3) first formed in Germany.
- 4) was not played in Europe until 1920.

2 The word "originated" is closest in meaning to

- 1) began 2) played 3) recorded 4) organized

3 The best title for the passage would be

- 1) How to play Handball.
- 2) The History of Handball.
- 3) Handball in Europe.
- 4) The International Handball Federation.

4 All of the following happened in the 20th century EXCEPT

- 1) playing handball as an indoor game.
- 2) using the rules of football in handball.
- 3) playing handball for the first time.
- 4) the establishment of International Handball federation.

Cloze Test

Women live about 8 years longer than men. A California study (1) the life and health (2) ... of men and women. They found that women (3) had more unhealthy actions than men; but, in spite of this, they lived longer. The highest risk factors for men (4) smoking, drinking, and not being married.
