One of the greatest sea tragedies that has ever occurred was that of the steamship Titanic . It was the first trip of the giant ship . There were more than two thousand people aboard on their way to the United States from England . It was on the night of April 14 , 1912 . The sea was calm, and the weather was beautiful . People were dancing in the large salons. Music, laughter, and singing could be heard everywhere. The thought of danger was far away. Suddenly just before midnight the sailor on guard cried: "iceberg"! Before the ship could change her course, the iceberg had torn a huge hole in the bottom of the ship. Nothing could be done. The new ship went down into the sea. More than fifteen hundred people lost their lives on that tragic night.
